“ *Precious Sis Sheila. She always had a smile with her beautiful blue eyes. I'm going to miss that but so grateful I see the love she so freely shared all around. She was always concerned for others and especially her family. Many a time we met each other in church and in visiting she was asking for prayer for those she loved so very much! She never let you down family, she was and is forever reaching on your behalf. What a legacy to leave. Thankful for Sister Sheila and her love!*

“ Sis Sheila had a huge smile for everyone. In almost 30 years I do not remember a time she would not offer a welcoming smile to especially those needing hope. She could reach almost anyone with the hope of coming to hear the WORD at church. She was drawn to hurting people in need and she would offer them JESUS. Even among times of her own sidesteps she would always offer a surrendered life as the answer. I pray that the years of her own fear, tears, and pain will be planted with her body but the hope and love of her life will take over the lives of all she knew. With hope in GOD, Sis Debbie Bowman
