“ I always remember Sherry at the swimming pool at the lake. And I remember how happy she was to have Annie. I love you Sherry and you will be dearly dearly missed.

“ I was going through some photos and I ran across this gem. This photo was taken during a family trip to Sarasota, a week filled with simple moments that mean even more now. It brings back the warmth, the laughter, and the time we all shared together. Sherry was deeply loved, and she'll be missed more than words can really say.
