“ *Shirley Glidden was a force of nature...a strong, smart woman who loved her sons deeply! I was always a little intimidated by her, though I tried desperately to win her over. Not an easy task...she was my first Mother-In-law, or maybe I should say Mother-in-Awe...any woman that could raise and be the glue for 4 wild and crazy boys/men should be held in awe! I'll never forget preparing my first "northern" Thanksgiving meal...rutabagas and all...Shirley gave me all the instruction I needed...can't remember how well received my efforts were, but I do still have a cookbook she gave me...I saw her pain when the family lost Jack and it broke my heart ❤️ You are whole and well and in your heavenly Father's arms now...rest easy and we'll be praying for your families' hearts to heal. Sincerely, Angie*
