“ *I just learned yesterday of Shirley's passing and just want all of you to know what a special neighbor she was to the Miller family for all the years we lived on Dogwood Valley. When Jeffrey, Ian and Thor would come visit she would come get my Bartley and then take off with all their bikes for an adventure. I remember Chet telling stories of how bright Shirley was and he was so proud of her. I always enjoyed talking with Shirley and remember my last visit with her as we chatted in her driveway. She lived a remarkable life and I know you all miss her. Love to all of you. Carol Miller*
