

## Shirley Ann Glover Lipsey

July 24, 1947 - July 24, 2024

Shirley Glover Lipsey, age 77, of Buford, GA passed away peacefully at home on July 24, 2024. She was preceded in death by her parents, Forrest and Clara Mae Glover; sisters, Frances Glover, Gene Pruett, and Gwen Reagan; and brother, Royce Glover. Shirley is survived by her son, Jeffery Westbrooks, of Buford, GA; daughter and son-in-law, Jeff and Jody Jones, of Hoschton, GA; grandson and fiancé, Hunter Jones and Amber Trip of Cumming, GA; brother and sister-in-law, Darryl and Sheila Glover of Buford; sister-in-law Janet Glover of Buford, GA as well as numerous nieces, nephews and cousins. Shirley was born on July 24, 1947, in Buford, GA. She attended North Gwinnett High School and remained in the Buford area for most of her life. Shirley enjoyed spending time with family and friends, and it was not unusual for a dinner intended for five would result in a table of a dozen or more, nor for her to bake two or three cakes in a day to share with loved ones. She loved gardening, baking, sewing, square-dancing, and “decking the halls” for Christmas. Mostly, she enjoyed being “Grand” to her one and only grandchild, Hunter. Honoring Shirley’s wishes, there will not be any type of service. Those who wish to honor her may do so by donating to Bristol Hospice East Georgia (<https://bristolfoundation.org/support/>) who gave Shirley and her family great care and compassion in her final months.

“ *A no nonsense woman. A salt of the earth woman. Kind and generous too. I remember the first time I met her and the rest of the family my first thanksgiving as part of a blended unusual mix, I married into this family 2011. To my point Shirley made me feel welcome and said to me welcome to our crazy family...you may want to leave after this.. she was funny. I stayed of course; I fit right in...you'll be forever missed and etched into my heart.*

“ *We are heartbroken for the loss of Shirley, or as I called her Mom #2. Our hearts and prayers continue for Jody, Jeff and this wonderful family. Jody and I have been friends for so long 50 or as Shirley reminded us that Jody was 3 and I (Lori) was 4 when our friendship began. Your mom was so strong and she made the world a much brighter place to live until we see her again. Although a light has dimmed on earth; in Heaven, Shirley is healed, and everyone celebrates with the love of Jesus.*

“ Some of you may wonder, "Why did they use such an old picture?"  
Because this is how I will always remeber our mom. She was still strong, vibrant, a hospitable soul to all who entered, and healthy. I always felt like there was nothing she could not do, and it was usually the case. She is finally healed and at peace, but she will be missed dearly - until we meet again.
