“*Connie and I are first cousins and I remember when Stacey was born. I have a picture of Connie and our grandfather (Everett Gober, ) (our great grandmother (granny Gober) her daddy (Cecil Gober)4 generations. My thoughts and prayers go to Connie and the family. I know what it is like to lose a child. It does get a little easier but, still that hole is in your heart. The hole seems like some days it just gets bigger and bigger it is always there but you'll see him again and he'll be new I want you to know that I love you dearly, and my thoughts are always with you, love you Toni Miller*
