*Words cannot express the pain and sorrow you must be going through at such a very young age in life. But God is your true source of comfort. I can still remember the laughs we shared and the times when you were a toddler going to Victory. We have memories to share especially during VBS. Your Mom was a very strong person and I know she loved you dearly and unconditionally. She will be missed but no more pain for her, as she is with our Lord Jesus Christ now. Praying for you and your family today and as the days go by.*

*Love, Kathy Harris*
