“ Kathy,

I was so sorry to hear about Steve. My sincerest sympathy to you, the kids and the grandkids. He was the best! He was like a big brother to me at Central. I owed him all the friends I made and all the fun I had for 4 years, probably the best 4 years of my life. He was so much fun and a really true friend. He was also the best card player, tennis player, ping-pong player, billiard player, pool player and the list just kept on going, the best ALL-around athlete we all knew. He mastered everything he took up. I'll never forget his kindness to me, a geek out of water. He was remarkable in every way. We will all miss him very much, he lit up the room.
