“ *Corey,*

I am so sorry to hear about the passing of your father. Many of us have had great dad's that we can remember the wonderful memories of doing guy stuff with our dads. The next few days, weeks, months may feel a little different without him but he is in a much better place then we are. I will be praying for you and Paula and the rest of your great family for peace and understanding. Please let us know if you need anything.
