“ *I have worked with Steve's brother Lee and nephew Chris for many years. I consider both of them highly skilled and outstanding men. I did not know Steve, but if his brother and nephew are any indication of his caliber, I'm sure he also was an outstanding man. May God Bless the Thrasher family and friends, my family and I will keep you all in our prayers.*

“ Steve, AKA, Gopher as his nickname at Gwinnett Fire. He had a knack to take up for the underdog. I had the pleasure of working with him off and on during my career. Gopher had good sense of humor and was always smiling. Steve will be missed in the G.C.F.D family. Prayers for the family, friends, and his Gwinnett Brothers and sisters.

“ Steve was one of a kind. Loved to tease folks and horse around. We definitely remember him from church at Shoal Creek Bapt church and playing softball with the church teams. Sending prayers to all his family and friends.

“ Remember going to church with Steve as a kid at Shadow Creek he always said on the back bench he was always very quiet but also friendly I also remember after I have my first child she was about 2 years old and was eating a piece of hard candy and got choked on it it got stuck in her throat I remember if it wasn't for Steve she met would have choked to death he yanked her up and took her outside and got that candy out of her throat I always told him thank you thank you every time I seen him. To The Thrasher family you're in our prayers we love y'all as family we share a lot of great memories thank God for little country churches by Shoal Creek or you can meet good families love the Burnett family.wanda
