“ Sorry to hear of Steves' passing. He provided great enjoyment for me many Sunday's (and a good deal every now and then). He always had a smile and a joke on stage and he built a fine business surrounded by many customers who appeared to be more than just a number to him. Prayers to his family and friends.

“ Those of us who have cars at Four Seasons would like to know how to get them back. Today I witnessed a guy in a red Ford F-250 with a car transporter stealing cars and peoples valuables from the back of Four Seasons warehouse. Forsyth county police have been notified but we need answers. Steve seemed like a nice guy and this is unacceptable. Please call Forsyth police if you know who owns that truck. He must have had a key.

“ Steve was a jewel, a wonderful auctioneer, and a truly nice man. He made everyone at the auction feel as though he or she was his best friend. My 22 year old daughter remembered what a fuss he made over her when she was 4 and we let her bid on a dollhouse. She won the dollhouse and Steve won our hearts. Rest in peace, and God bless your wife and family.

“ I will always remember the times spent with Steve at the Auctions and working with him in Atlanta. The wonderful memories that came from those days, we would either be moving furniture, hanging paintings or stacking rugs, and having fun. But standing in front of his many friends on "Sale Day" seemed to be the happiest time for Steve. Those are fond memories that will stay with me forever. My heart goes out to Linda and your family. You will be in my thoughts and prayers.

knowledge of the antique and collectible business was
superior..loved to talk "shop" with him. Our family will always

“ I am so very sad to hear that Steve is gone. I worked for Steve for about three years and it was the most fun I have ever had in my professional life. Steve had so much energy we had a FANTASTIC time working together. He was a very very talented auctioneer. His auctions off Cheshire Bridge were so much fun, there was nothing like them. He was so nice to me and my Dogs (Hannah and Abby) He would let me bring them to work!!! We talked about 3weeks before his passing.... He had a computer question and it was a pleasant chat. I only met Linda once and my heart felt condolences go to her. I will miss Steve very much. I have such good memories. He brought a lot of smiles to thousands of people with his auctions. I know he will be greatly missed. Sorry I can't be at his memorial as I am in California. Love you and will miss you Steve..... John Anderson
