“ *Remembering his days here in Fort Lauderdale, he spent a lot of time at my house...playing pool, going to the Dolphin games with my son and husband. He was a delightful person, he loved baseball and went to umpire school here too. He was married to my husband's first cousin Judy Mize who passed away years ago, we were happy he remarried and are happy for his years here on earth...His wife's mother was just here from Reno for a visit, she is going on 91 and was still talking about what a wonderful person Steve is...didn't have the heart to tell her he's gone. May God have a special place for Steve and a good game of pool.*
