“ Dear Family of Steven,

We will miss Steven very much in our Ballroom Dance Community classes and dances. He was always willing to be a part of the classes and dance with anyone without a regular partner. I had the pleasure of learning many dances with him over the last year. He will be missed by many many people.

“ To Steven's family,

I will miss this fine man. He dearly loved his sons and was so proud of them as just generally good guys, as well as bright guys. He spoke lovingly of his brother and his parents. I am fortunate to have called him my friend for the past several years. I am also fortunate to know that his faith in the Lord was strong. He was kind, good-hearted, and sweet-spirited in a world that needs his kind of being. His untimely death leaves such a hole for his friends. I pray that God's peace will carry his family through this storm.
