“ So many stories...seeing his eyes light up when bruck would walk into the room. His Bronco, Bruck was working and my husband was golfing so on Saturday's we would go out for breakfast or lunch! His kind and generous heart.Marriage, to the love of his life. Watching his excitement when he became a father for the first time. Let love and faithfulness never leave you, bind them around your neck, write them on the tablet of your heart. Proverbs 3:3
