“ Sending prayers of love and light to the family of Steve Rawlins. I met Steve through another co-worker at HUD and after that we would always have engaging conversations in the hallways and the elevators. He was always so friendly and positive and was great to know these last few years. I was glad we got to exchange words in passing in March during our last week in the office.

“ To the Rawlins Family, although no words can really help to ease the loss you bear, know that you are in my thoughts and prayers. Steve was not only a former co-worker, I considered him my friend. Steve always had a professional demeanor but he was a big jokester. I will never forget the many jokes we shared when I was a HUD employee. I will also never forget interviewing Steve for the Veteran's position with Marilyn Moore-Lemons. The interview was an enjoyable experience as he shared so much with us. When Steve left the interview, he left us a copy of a sermon he had done. Steve will truly be missed. Wishing you peace and comfort in the days ahead. Renetta Lee

“ You will surely be missed my fellow Sagittarius and Army Veteran. I will cherish the memories of your wisdom and big heart. I will never forget that "caper" you pulled for me on your trip to Seattle to visit your daughter (I'm still trippin" LoL). Every time I drink White Hennessy, I will think of you. Oh, and I will live up to the nickname you gave me....."Mother Africa".
