

Sue Ann Bell Griffin

November 16, 1934 - June 13, 2022

Sue Ann Bell Griffin of Gainesville Georgia, born an only child on November 16, 1934 to Ann Joyner Bell and Harry Wallace Bell. She died on Monday June 13, 2022. Sue is survived by Phyllis Ann Griffin Wiley (Loyal Wiley) of Gainesville Georgia and J. David Griffin (Kathleen Griffin) of Winchester Virginia. She leaves five wonderful grandchildren and four beloved great grandchildren. Her husband Phil Thomas Griffin and her son Marvin Griffin pre-deceased her. Sue attended the University of North Carolina Greensboro and received her associates degree in domestic engineering. After graduation she focused on using her degree to raise her children, serve the communities where she lived, and facilitate her husband's career at DuPont. She loved her family, gardens, history and people. Friends remember her for her kind, wise and thoughtful demeanor. A devoted mother, she supported her family in their endeavors. She long suffered with severe health problems, handicapping her physically but for many years it was not in ways that she would allow herself to be limited. Wheelchair bound, she still would make it to the beach or watching the tennis courts; wherever family was she too would try to be. The family asks that friends make a contribution to their favorite charity in honor of a dear and sweet Southern lady who will be missed by all.
