“ Mrs. Susie was like a Mother when we would have our "talks" together. She always welcomed Donnie and me to her home. We have been sharing special occasions with her and her family for several years now and what a treat it was to be welcomed by her precious smile and he welcoming words. Mrs. Susie always greeted us with a smile and gave me a hug. She would call me on the phone and we would have good conversations. We are going to miss her presence very much but know that she will remain in our heart forever. Our love and prayers to her family.

“ My favorite memory of Mrs. Haney is her welcoming me and treating me as a member of her family when I visited with Karyn when we were teenagers. Being a bonus addition to this family has blessed my soul my entire life.
My love to the family. I share your sorrow.
