“ I am so sorry for the families loss. Mrs. Puckett was always so good to us and we have loved seeing her over the past several years. She made us a fruit cake for Christmas for several years and they were so good. They actually watched us kids grow up and were beyond amazing to us and our family. We loved both of them very much. I know without a doubt that she is in heaven and rejoicing with loved ones. Please let us know if any of you need anything or if we can help in anyway.....Prayers with love....

“ From the Giles Family to the Glenn Family: Too few words or endless words cannot bring your mother back. So sorry Jill. But, however few, however many words said, only kind words can describe this beautiful person we have heard so much about. After reading her obituary, we know why Garry talked so lovingly about his mother-in-law. Jill your Mom is so pretty, just like you. Sweet, kind face and adorable smile. To you Jill, Garry and your boys, all the love we can muster. To each of us, all the strength we can muster until we see our loved ones again.

“ It is a painful thing to lose a precious love one in death. Even Jesus wept when Lazarus died(John 11:35) and it pains our creator, too. Our Creator did not purpose his human family to get sick, grow old, and die but purposed us to live and enjoy life. It is still his purpose. He calls death an enemy that will be removed forever__1 Corinthians 15:26, " the last enemy, death, is to be brought to nothing"; Sickness will be a thing of the past_ Isaiah 33:24" and no resident will say, 'I am sick'..."; and He promise to awaken our love one from asleep in death__ Hosea 13:14 "From the power of the Grave I will redeem them; From death I will recover them." Allow these words to keep comforting all of you.
