“ Sue was my "other mother," just as Chip was my best friend and brother. I love them both very much. I will miss Sue. She always loved me like a son. A very sweet lady.

“ My sincerest condolences to your family. Losing a loved one is extremely difficult. We long for the time when we no longer have to experience the pain of loss. (Revelation 21:3,4) Until then, May the "God of all comfort" be with you during this difficult time and May you find peace in His promises and in your loving memories. (2 Corinthians 1:3,4)
