

Sugie Chong Pok Cha Gibbons

April 17, 1955 - August 12, 2024

Sugie Chong Pok Cha Gibbons, age 69, of Buford, GA passed away on Monday, August 12, 2024. She is survived by her husband of fifty-one years, Mike Gibbons; married November 19, 1975, together since 1973. Niece, Annie Harper Gibbons; two nephews, Brian Dykes, John Dykes; two sisters-in-law, Anne Dykes, Sally Oglesby; brother-in-law, Henry Gibbons; and other relatives and friends. Mrs. Gibbons was born on April 17, 1955 in Seoul, Korea. She worked several jobs. The last 27 years was at Canon Delivery Service where she retired from.

One of the best memories was to watch her with children. She had a way to become the age of the child and would play games all day. Sugie would babysit for several working Moms at the house. The problem was that after usually 3 weeks or so, the Moms would have to do something else because the kids always wanted to stay with Sugie rather than go home when their Mom would pick them up at the end of the day.

Unafraid and loyal were huge assets. If she was your friend she would do anything to help. Kind and loving her father-in-law and mother-in-law were "Mom and Dad" since the first time ever meeting. She also became their caretakers at the end; always with a smile and out of pure love.

Sugie loved her Braves and Falcons.

“ I have known Sugie for 40 years or so. She was very unique. Whom else could learn English from watching the Braves. She loved ATL sports and we would talk for days about the Braves and Falcons. She was one fierce competitor too, which I found out by playing cards with her and Mike, sometimes all night long, or until she won...lol. We will miss her so much. God Bless You, Sugie and rest in eternal peace!!

“ There are so many things that can be said about Sugie. She was caring, energetic, colorful and so many things more. She was the most honest person you would ever meet and had no problem speaking her mind. We all still laugh and some of her “Sugieisms”.

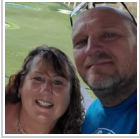

She wasn't just a good person; she was a GREAT Human. She will be missed but she left us all a little piece of her that we carry in our hearts. Sleep well Sugie, God has big plans for you.

“ My heart breaks today. Sugie was an angel sent from above and it saddens me that The Lord had taken her back. I knew every time I was in her presence that she would always have a nice thing to say and knew you and would remember who you were and what your interests were. She was happy to actually know you and she respected you. She had a beautiful charm about her and always a great hello and bye see ya later. My prayers go out to you Mike and I pray that you find peace in these difficult times. May Sugie Rest in peace. God Bless!
