“ *Suzanne was a marvelous woman of God. We have spent many times laughing and having fun with each other. We spent many years ministering at the nursing home together. She was such an inspiration to me and all at the home. She made us smile and feel good about things. She was always willing to pray with you and making sure you were ok. She loved her family dearly. She also loved her church family. I am so sorry for your loss but your mom and grandmom left you with great memories and a wonderful testimony. God bless you all. My family and I want you to know we love you guys and are here for you. God bless you, Carla & Doug Cannon*

“ *Suzanne (Memother) was an excellent example of a strong woman of faith. Her love of her precious Savior was one of the first things you knew about her when you met her. Her loving, gentle, humble spirit spoke volumes without her having to say much. The way she loved and cared for my children just as she did her own grandchildren meant more to me than I could ever express in words. My heart goes out to all the family because I know how much they will all miss her. I know she is dancing and worshiping in the presence of the Lord. We all look forward to being with her again when we get to Heaven.*
