“ Dear Julie, I remember all the happy times we had as kids with our parents and friends after choir rehearsals in Rochester. We always had the best time together, us kids laughing together in the kitchen and our parents all laughing in the dining room. So many happy memories. I loved your parents and Aunt Jean because they gave so much love back. In fact, my dad used to get up from the table at midnight and tell everyone to lock the door when they left for home. Please accept our sincere sympathy and love and prayers with this difficult loss. With love, Kathy (Kolb) Davis
