“ *And Teresa I miss you I am 13 now. Everyday you are with me, but it's not the same, we didn't see each other often which makes it harder... Now you are further in I'm alone, and I just wanted to write you this because I miss you and especially Ashley she talks about you 24/7 and we really miss you , but we know now that you're in a better place and you're not hurting anymore. Until we see each other again I just want you to know that we miss you and we love you RIP Teresa Bennett*
