“ *Teresa lived next door to me when we lived in Chamblee. When her family moved in we were all quickly friends. My mother would take us everywhere! She would go shopping and other events with us. We would take her to her grandma's house over in Skyland. Teresa became a part of our family. I've lost touch over the years but often remember those times. My family will be thinking of you all at this difficult time. May God bless her.*
