“ *Man I wish you were with us right now so I can live a better life and with you it was like a dream. Grandma I wish I could of said my last goodbye's and when my dad told me you died of cancer I felt like I couldn't feel my face:)*

But you were the only one who I always looked at and said "Man she is a beautiful grandmother who looked like she was in her twentys. I know gods got you in a verry safe place up there. When you died I already knew you was going to heaven because you were a loving grandma who loved EVERYONE equally and we ALL love you and miss you!:)

Best of wishes, we love you and will NEVER forget about you!☐
