“ Terry was a dear friend of mine. I moved away to new York a year and a half before his death. We stayed in touch. He loved my daughter Kaylin very much and was making plans that summer to visit and when he didn't respond I just assumed he was busy. My heart is very heavy but I'm glad he is not suffering. You were very loved and will be missed. Now you can rest easy with your parents and son. Rest easy my friend. I love you.

“ Terry, now you are finally at peace. I know you had a very tumultuous life. You tried so hard to be strong. You were an amazing and gentle man. We were such good friends from our very young years in school and on into adulthood. I feel so very blessed to have had you in my life. I love you Terry.

“ I worked with Terry for a short time, but his kindness stood out. I recall a time being in a short training session with him, he was through, and made the tech terminology less overwhelming. I also remember getting call(s) transferred from him. In that brief time, he was always pleasant. My thoughts and prayers goes out to his family and friends during this difficult time. Terry, you will be missed!

“ Sean, we are SO very sorry for your loss. Your dad will be missed by so very many. It is very much a sad day for your boys who will not have an opportunity to spend time with their grandfather as they pass through the growing up stages of life.
Blessings and love,
Roger and Mollie Drake

“ I have very good memories of Terry when we were both students at Gainesville College. Terry was always kind, helpful and a great friend. He is the one who taught me to play chess. To his son and to his brother Dan whom I also know, you are in my thoughts and prayers.
