“ *I had't seen Terri since we were kids in Fairfield and her Mom, Sue, had a dress shop. Sue and my Mom, Alice Bigler were friends. Terri and I used to play together when we were really, really young, and I remember some good giggles. Anyway, I just noticed a thank you to Candace Johnson Boehm from Terri's husband and learned about Terri. All of Terri's family have my deepest sympathy. I am so sorry for your loss.*

“ I worked with Terri at Haven of Hope when I was one of the counselors there in the early 2000s. I will always remember Terri's smile, her heartfelt concern for all she came into contact with, her infectious joy. We could not have asked for a better person to be on the frontline at Haven of Hope as she was often the first person those who were struggling and hurting came into contact with. She always had a proud or funny story to share with me about her grown children, good advice for this young mom (at the time!) Its been 15 years since we moved from Sugar Hill. I've missed the regular chats at work, but had enjoyed keeping up with each other on Facebook. To Jim, Kelly, Dan and the rest of the family, please accept my and Pastor John's deepest sympathy. Terri was a joy and one of kind. Our prayers for you all will continue in the months ahead.

Sincerely,
Stacey and John Page

“ Jim, Stephanie, Kelly, Tate and Drew, and other family members, How blessed you all were to have had a mighty woman of faith as your wife and mother. That is one of God's richest earthly gifts to us. She left you with a rich example of how a Christian should live. Perfect? No, but perfectly loved by her Lord and Savior. She lived with this certainty and she held that until the Lord called her home.

“ Mom, I couldn't have been blessed with a more loving, caring, and faithful mother-in-law and nana for our girls. I couldn't have asked for a better family to marry into. We will miss you greatly, but are comforted in the fact that you are now in the loving arms of our Heavenly Father.

One of my favorite memories (there are many) is one summer when GA was in a drought and every day we were waiting on the rain. One evening it finally did, and Terri and I went running and dancing in the rain. I'm quite sure Jim and Tate thought we had lost it! It was a fun and carefree moment we shared.

We have so many memories, from vacations at the beach, holiday gatherings, playing board games (trying to remember the rules to Pennies from Heaven), and sharing family meals when we gathered. We will cherish and talk about these memories and so many more for a long time to come.

While not here with us, we will continue fashion our lives from your example and faith.

All our love, forever and ever.

“ Terri and I have been friends for over 40 years starting Real Estate together w/ David Clark in the late 70's. Jim and Terri and Drexel and I would go to Tallahassee monthly for our Chinese dinner date. I loved my friendship with Terri and our reconnecting on FACEBOOK in the last several years. I'm so sad for your loss Jim and kids. Terri adored her family. My heart breaks for you all. Terri loved the Lord, her relationship with Jesus was so personal as I could see in her posts and messages. I know I'll see my friend again. Love you Terri! Marcianne

“ So sorry for your loss. Terri was a beautiful, elegant lady who loved the Lord. She will be truly missed! She was the same age of my brother, who we lost just a few weeks ago, so I feel your sorrow. Such a beautiful smile she had. It was always a joy to see her. Jim and children, just know that you are loved very much and will look forward to seeing you guys soon.

“ Always pictured a star wars type scene where they are talking about Terri " The faith is strong in this one ". Her faith in the lord her family, friends and church. Her love of and from her family help sustain her and fueled her to pour out love and compassion for others. and even a little brat brother too. Now we have to be extra good cause she is watching.
