“ *We were so sad to hear Terry passed away. It seems we've known the Martin family most of our lives...lifelong Buford residents until moving to Braselton and eventually becoming neighbors. Terry was a neighbor who brought you apples every fall from out-of-state family, one who always threw his hand up when you passed by, one who always kept an immaculate yard and magazine worthy home, one who stood around outside with you and shared Buford news and grandchildren stories longer than either of us intended. He will be sorely missed by all of us!*
