“ *I didn't know her personally however she was my bus driver from 6th grade to 8th grade and it was a shock to hear she passed because i always wondered where she went and why we suddenly got a new bus driver after 3 years but she was a great woman and became one of best friends over the years, Rest In Paradise.*

“ Terry was my best friend. On Facebook I quickly learned she had many best friends. Terry had the heart of a lioness. She faced a lot of tough situations driving children to school that made me afraid. Serious threats from kids and parents yet when telling me about these events, she talked matter of factly. The evil in this world did not vex her. This is so inspirational to me. Oh the lives she touched and made better. Just to see her beautiful smile was enough to make your day better, and let you know that our savior is REAL. Terry had exquisite beauty yet never behaved as if she did. One of the funniest things I've ever seen was a post she shared with a monster truck school bus named "The Educator". The caption read "This is how I drive my bus". Terry Metcalf was and is the best of us. My Terry- Till I see you again on that crystal shore...I will miss you.

“ *She was the most amazing person and was such a wonderful part of my kids young life. She was so much more than just their bus driver—she was their teacher, caregiver, and holiday celebrator. She had them sing Christmas carols, always had a little treat for them at Halloween. We just adored her. So sad to hear of her passing.*
