“ *We were saddened to hear about Terry. I was fortunate to spend a number of years of my youth as a neighbor and friend of the Moore's, and have many fond memories of time spent with the family and adventures shared with the brothers. There was a time when we would see Terry on a regular basis, but as seems to happen all too often, we lost touch and have not spoken in a number of years. The passage of the years does not lessen the sense of loss we feel of losing a good friend. Our sincerest condolences to the Moore family. You are in our thoughts and prayers. May God bless and comfort.*

“ This one really hurts. I met Terry a few years ago when I came to the penske family. This guy here is a spectacular person not only as supervisor, but was very special person as my friend. We had many laughs in the time we've known each other. I loved hearing his stories of some of the hunting he did even from the first time he took his daughter. He wasn't just any ordinary person this man had a heart of gold. Im breath taken by this I was definitely not expecting to hear this great man had been called home. Going to definitely miss you talking with you about the variety of things we would chat about. Rest easy. Love you brotha. My condolences to the family. Im otr ,but my heart is there with y'all in the spirit.

“ Our heartfelt condolences goes out to Terry’s family and siblings- we have so many childhood memories with our cousins- the outdoor games- hide and seek- and so many meals in that huge room at Uncle Allen and Aunt Stella’s house - Terry was always upbeat, full of life, and always seemed to be in a good mood - he was a great guy and he will be truly missed - Joy Holt

“ Terry and I coached travel softball together for several years. We spent many, many hours together on and off the field; Terry, Lee, Heather and Michelle are part of our family. Terry was a rock, the temper to my temper... He was always quick to smile, to crack a joke... We will miss him...

*Lee, we offer our condolences and pray for you and your family.

“ *This is a shock and surprise to me. I am beyond words. Now I am ASHAMED for not being in closer contact with him, my Cousin, especially when I attended his Mother's funeral. I never knew that he passed away with a heart attack. He was so young and full of greater health than I ever even thought of. This is a shock. I love you Terry and will miss you. We will be praying for you wife, children and grandchildren.*
