“ *when Rob brought Thelma to our home over 40 yrs ago, we were happy to see the love between them. Over the life of their marriage, we saw children and grandchildren brighten her and Robs life. We have known Rob since he was a teenager. We feel the sadness of your loss and love you and want you to know that we are here for you. Ron and Charlotte*

“ *Dear Hoppe Family,
I also attended the retreat in Copper Mountain Colorado in 2013. I met so many people but I don't know if I met you or not. But I do know that the retreat was life changing for me. I also have LMS so I can only wish for your family that you have strength and love from your close friends and the family. I am so sorry for your loss. May God bless you and give you peace.*
