“ *Remembering Ms. Ginny today, I had no idea she had passed away, just had her on my mind and researched and found this...she was always so kind and thoughtful and caring. I used to own a small consignment shop called Emma's Attic and loved when she would come in to visit. I am so sorry for your loss.*

I have known Ginny since 2008. I had no idea how sick she was and I tried to contact those in her care so I could visit. I will miss our get together, our lunches, shopping and all the wonderful things that describe the wonderful person she was and is. RIP
