“ Dear Family, we are deeply sorry to hear of Ted's passing and send our thoughts and prayers to the family. It was good to know we were both natives of South Jersey (me Glassboro) and Salem was not far from my home, that would have led to some interesting conversations. We will have to have those conversations when Jesus comes back to claim all his children and take us to live with him throughout eternity. During this difficult time of bereavement may God richly bless you and your family and bring comfort though his Words found in 1 Thess 4:13-18.

God Bless You-Sincerely

He is an inspiration to all who are recovering from PTSD, as he bravely and generously shared his recovery journey and his healing experience with Brainspotting therapy on his YouTube channel. As a Board member of the Southeast Brainspotting Institute, he served as the Chief Brainspotting Ambassador, giving hope to all afflicted with PTSD.*

We are forever grateful for your service, Ted, and we will continue to carry your message forth. Rest well, good sir.
