“ *Dear Dennis and Pam and family, We send our condolences with the passing of Uncle Ted. We hear of this news on June 16th. We understand Aunt Clara is aware, however, she is recovering from a hip surgery of June 10th. Our prayers go out to the family. We truly enjoyed the fun times we had with the folks in California. They both will be sorely missed. Kind Regards, Richard and SanJuanita- June 18, 2012*
