“ Rarely do we find people in our lives as caring , kind, and compassionate as Teri.. Her love for others .. especially for animals was immense! I will miss her terribly, but will always cherish the memories of her sweet and loving soul. Praying for healing for her family at this horrific time. We will always love you my friend

“ *Ministry Walker, My Dear friend, Today we paused with heavy hearts,yet with deep gratitude,to honor a beautiful life.Though our dear friend is no longer with us in body,her presence,her kindness, and her love remain forever etched in our hearts.*

*She was a light - sometimes quiet, sometimes strong- but always meaningful.She had a way of making people feel seen,heard,and cared for.Her laughter,her compassion,and her strength will come to live on through the lives she touched.*

*Loss leaves an ache that words cannot fully heal,but love never ends.We carrying her memory with us - in shared moments in lessons learned, and in the love she gave freely.Though we grieve today,we also give thanks for the time we were blessed to walk alongside her.*

*May we honor her by living with the same grace,love and kindness she showed to the world.*

*And many her soul rest in perfect peace.*

*Sincerely, Ministry Walker.*
