“ *It is evident from everyone's comments that Tommy was such a special person. Everyone loved him. I can only think of positive thoughts when I see that senior picture of him. He was a one of a kind. I truly remember him from first grade! And I have a fabulous picture of Tommy, Larry, Sally and myself at the Grant Park Zoo on a field trip. Around 4th grade I think!*
I am so very sorry for all of his family's sadness at this time. I know he is at peace now.

Always loved our cousin Tommy. Loved that big smile. Such a handsome guy. Last time I saw him was many years ago at Mt. Taber church. He had that same big smile & gave me a big hug. We all had so much fun playing together as kids. May many fond memories comfort his son & daughter & all the family at this time. Myra Chandler Ward

My heart goes out to Tommy's wife and children. My Dad, Larry Chandler were cousins and big running buddies. I'm sure my Dad was waiting at the gate for Tommy. Tommy will always be fondly remembered!

“ Tommy was one of our classmates that we were lucky enough to grow up with and spend all 12 grades together, until our graduation in 1971. I never got the chance to see him again after graduation night but I will always remember his great smile, friendly demeanor and his quick wit. Tommy always had us laughing at something ...

“ *I had the privilege to attend Mt Tabor Baptist Church and share Christian fellowship with the Chandler families. Talmage & Nina Chandler led a tremendously Faithful home, gave everything possible to their children and served Mt Tabor with great honor.*

Tommy was one of a kind..... the smile, the twinkle in his eye and the respect he offered to his classmates will forever be remembered.

The Class of 71 adored Tommy & always appreciated the kindness extended by each member of the Chandler family.

Tommy is now resting in the arms of Our Lord & Savior.

“ We were running buddies from first grade on through high school. Tommy was the friend all kids should have. We played hard at each other's house and even fought hard from time to time. He was as close to a brother that I could have and not be blood. I hate that we drifted apart after school.
I pray for Tommy's wife, kids and the rest of his family and friends. I am so very sorry for your loss.

“ Tommy was loved by everyone in our class! His smile was infectious and he was one of the most handsome boys in our school. My heart is broken to hear Tommy won't be attending any of our future reunions.
May his wife and children feel God's immeasurable peace now and the days and months ahead. May wonderful memories bring you love and laughter.
