“ *Thomas , you will surely be missed by not only your family and friends but your co- workers as well. The Uline Freight department is truly not the same without Thomas. He's been missed for quite a while. He was certainly a great asset to the team before getting sick! He was never afraid to go the extra mile to not only cause the team to soar in so many areas but was so competitive too. He and I would set challenges among ourselves and we DID reach the goals we set. We set a record that was and NEVER will be broken and that record was 14 DAYS IN A ROW WITH NO MINUTES ON THE WRAPPERS. While working we would pass the time with challenging each other with song titles from YESTERYEAR. I'll have to admit that you knew a lot of songs and stumped me on quite a few. I actually am pretty sure YOU WON!! We had a very special bond that will never be forgotten, THOMAS LOVED HIS FAMILY AND DIDNT CARE WHO KNEW IT!! REST IN PEACE MY DEAR FRIEND, UNTIL WE MEET AGAIN, SEND THOSE WINKS TO US ALL!!*
