Tia was such a lovely Light in this dark world. Although she had her difficulties she always tried to find a way to see the humor in a situation. Once she graduated we stayed in touch and she was very happy with her husband and child. Although I am unable to come to her “ HomeComing” today, my heart and prayers are with her family and friends. I can see her now in a more youthful state skipping down streets of Gold to her Lord and other family and friends already there. These words bring me comfort, and I hope they do the same for each of you..... I Will See Her Again” at my Home Coming. Thank you Tia for all the Love, and Laughter you brought me and others. With all Love , respect, and condolences, Wendy Larmore Baumgarten
