“ *I am so sorry to hear this. I just found out yesterday. I was her travel agent and helped her plan her cruise that was so important for her and family. She was an amazing person and I enjoyed working with her. Again I am so sorry.*

“ I don't know where to begin. We have known Tiffany for so long. Ed & Donna were our next door neighbors for many years. Our families had so much fun together. Neighborhood progressive dinners, pig roasts, ski trips, so many fun times. Tiffany would babysit our son Jason who had the biggest crush on her. Tiffany just radiated... Beautiful girl inside & out. Always caring & loving to us & our family, I just know she is shining in heaven! Her smiling face would light up a room...a special girl, daughter, sister, wife & especially a good mother. She loved her children more than anything... always putting them first. We were so privileged to know Tiffany. We will miss her pretty face & smile but know God has his arms around her. She is not in any pain now and with her Daddy Ed In heaven.

“ Sending prayers and hugs to Tiffany's family. She was such a wonderful woman and I know she will be dearly missed by her husband, her children, her family and friends. She always had such a beautiful smile and she was so loving. She was like a 2nd mom to our daughter Sara. She definitely left this earth to soon. Heaven gained an angel and she will always be watching over her family.
