“ Sorry to hear about the passing of this great man of God. He was preaching us a revival in Pine,La Judy 28,1978 when my brother passed away. He sang Touching Jesus. He was a great man of God. I am blessed to have met. Every message he preached at our church through the years was awesome. Prayers for the family.

As a younger girl, I remember him preaching revivals in Fontana/Bloomington, California at the late Darnell Fletcher's church. He played piano, and Sis. Kathy played violin. I'll never forget the song he sang, "Mercy Rewrote My Life."

“ *What a tremendous loss to the Apostolic movement! Bishop Copeland was a tremendous preacher, evangelist, soul-winner, prayer-warrior...but he was a “Christian First”. As a child I fondly remember he and his dear wife and their involvement in the early days of Faith Tabernacle in Vidor. I first heard the song “When God Unfolds The Rose” when he sang it at our church in the late 90s. I remember two messages that deeply impacted me. “Jesus Loves Me, This I Know” and “It’s Beyond Me”. Those came at critical times in my life. Our prayers are with Sis. Copeland and the Copeland Boys and their families, as well as the rest of the Copeland/Cardwell/McMullen families.*

“ *Bishop Copeland was an amazing man of God. The first encounter I had with him was when I was in the midst of prayer and received a call from him inviting me to come to night service and to pray with him in his office. That night forever impacted my life and lit a fire in my belly for the word of God. I was baptized in Jesus name and am forever changed! He had a great impact on my husband's life as well which is how I was introduced to him and this church that I now call home. He was like a father to my husband, Alfie, and his sons are as close to him as brothers. I've heard so many beautiful stories and testimonies of how he changed the lives of so many people. My condolences are with his family. We love you and are so grateful to be a part of what you are doing for God's kingdom. Bless you.*

“ Although I never personally knew Elder Tim Copeland, his ministry had such an impact on my life. I will never forget the first time Elder Copeland came to my home church and preached about “Christians First”. That message that night has forever impacted my life. Another amazing message was “The Most Besetting Sin of Pentecost”. To Elder Copeland’s family, y’all are in my prayers.
