“Heaven gained one perfect angel. Timmy was perfect on this Earth and he was faced with many challenges throughout the normal day. Timmy had the most amazing and loving parents and sister and he was included in everything! Timmy would brighten any room up with his million dollar smile and his love for McDonald's cheeseburgers, and fast cars. I'm so thankful Timmy was part of my life, and he taught me many life lessons.

Timmy was one of my first friends with special needs. He taught me how to enjoy the little things in life and what really was important. He showed me strength like I have never seen before and he showed happiness and love for everyone. Many people may not realize it but Timmy is where I got my passion to work with special needs kids.

I'm pretty sure Timmy was the only guy other than family I kissed every time I saw him. I was blessed to go to Disney World with Timmy one time and it brought magic to a whole new level. I think of this trip every time I hear or think of Disney. This will always be one of my favorite memories! Seeing the joy on Timmy's face as he saw the characters, rode the rides, and spent time with his family.

Timmy loved everyone and he had a special way to show it. I know Timmy impacted so many people here on this Earth and it makes me happy to know I will see him and that million dollar smile again one day in Heaven. I know Timmy isn't in any more pain and no more wheelchairs!!

I know God puts people in your life for a reason, I'm so thankful he was placed in mine.

“ Tim & Mary,

Timmy was an inspiration to us - he always had a smile, and you two were always upbeat. We noticed you always included him in every activity, service, meeting, and picture - what an example to all parents in the special needs community ! There was an unexplainable presence of love, purity, and godliness around Timmy, his spiritual impact will be sorely missed. Although we have not seen Timmy in many months, we included him and you in our prayers.

We would like to share a verse that gave us great comfort and hope during Will's passing - John 11:25: "I Am the Resurrection, and The Life: he that believe in Me, though he were dead, yet shall he live."

*In loving memory of faithful Timmy,

“ We don't always understand God's reasons and plans BUT he knows what he is doing! Last night someone VERY dear to my heart and family went to be with Jesus. Timmy Massey was only 37, ten and half months old. I can remember this because we shared a birthday. Timmy came into my life about 24 years ago at the t-ball field at Dacula park. His sweet little sister Jena Raper was on Jenny's t-ball team. It was LOVE at first sight for us all. Timmy was sitting in his little wheelchair, with a big sweet smile. I never forget how his parents were fanning him and keeping ALL bugs away from Timmy. Their LOVE for Timmy was a LOVE like no other! Timmy never walked, talked, fed himself, dressed himself BUT he BLESSED SO MANY LIVES and I'm so thankful mine was one of them! I've watched this precious family of four do ALL of the normal life things. Timmy wasn't just left at home or left out of ANYTHING! Disney world, boat rides, campings, vacations, school, graduation, weddings Timmy did it all. I once heard a lady tell his mom Mary that she felt sorry for her, WOW was that a BIG MISTAKE! Mary said that Timmy was NOT a burden at all, he was a PLEASURE and such a WONDERFUL BLESSING. This wasn't something just spoken, I have seen it first hand. Tim, Mary and Jena has ALWAYS given Timmy so much LOVE, ATTENTION, RESPECT and AMAZING CARE! I know God chose them as Timmy's family because they are STRONG CHRISTIANS with an AMAZING LOVE for GOD, FAMILY and FRIENDS! Every year my family looks forward to having Timmy ride in the rollback for the Dacula Memorial Day parade. This past May he wasn't able to ride, he was greatly missed and the crowd was was screaming Timmy, Timmy. Timmy made friends so easy and quick he had the BIGGEST and most PRECIOUS SMILE you have EVER seen. It would LIGHT UP the entire room! Timmy was always talked to about everything, everyday. I've heard lots of conversations about loud cars, and boy things and oh what a smile spinning tires and burn outs would bring to his sweet face. Timmy LOVED McDonald cheeseburgers! I'll never eat another McDonalds without thinking of my

sweet friend. Oh the PRECIOUS MEMORIES we have! I'm so THANKFUL and BLESSED that this AMAZING family shared Timmy with me and the world! He may never talked or walked BUT he changed so many lives for the better. GOD always knows exactly what he is doing even when we don't understand. I'm so THANKFUL that I know I will see my friend again in HEAVEN one day. I LOVE and ADORE this AMAZING FAMILY!
