“ *My thoughts & prayers go out to the family of Tim. Tim was a friend of mine. He truly did love to ride mountain bikes & motorcycles. For him, it was a passion. During my time at Wrigley's, we'd ride mountain bikes after work & he'd show me the all the local trail systems. He taught me to be a better rider by giving advice & pointers. I'm very thankful for the adventures & time we had. On our motorcycles we enjoyed many curvy road miles in the mountains of the South. No one could ride a large touring motorcycle on curves like Tim. Tim was indeed a great man, and will be missed, but always remembered. I will always remember our many adventures, and I am very thankful to have had Tim as a friend.*
