“ I will always remember Timothy by his sweet smile and his kindness to everyone. He was a very good person who loved his father greatly. I spent time with him, and his dog, whom he greatly loved. He did all he could to help his father, overcome many issues that he had, and he did it in a gracious, loving way. He tried to help everyone with any issue in their life. I would say he would've made a good social worker. I know he was good with computers. Timothy was not only liked by many, but loved by many , one of them was me his aunt. I am so sorry that he has passed away so young I have been praying for the family, for all of us to get through this tragedy , I love little Tim and I will always love him. He will always be in my heart and I miss him greatly. I know that God in his infinite wisdom and love will be there for “little Tim”, !
