“ *I had been thinking about the past and my time in Marietta GA. I was Vickie Rigby at the time and my best friends were Todd and Kirby (O'Brien). We were the 3 musketeers - having so much fun together and sometimes getting in trouble together. We moved from there when I was 5 but I have so many sweet memories of Todd and his family. His mom spoiled me when I visited there a couple times in my teens. Sorry to hear of Todd's passing but so happy that he is rejoicing with Jesus who he had served so faithfully.*

“ Dear Cannon Family,

Been thinking about all of you the last couple of days. Todd was full of heart. He had this sprit about him that was accepting of everyone regardless of differences. He was always so proud of his family and extended family. Especially proud of what his Father and Brothers had accomplished in the world. After his family, he did love his music. Some of us in life are cut out of God's creative fabric and meant to be artist or musicians like Todd.

“ I am so very sorry for your loss! Please find comfort from a scripture
I'm sure you have read several times before but is personal to you
now.
"And he will wipe out every tear from their eyes, and death will be
no more, neither will mourning nor outcry nor pain be anymore. The
former things have passed away." (Revelation 21:4)

“ Todd brought a smile to my face almost every time I was with him. Whether it was sitting in his car listening to his car stereo, vigorously debating the merits of Atlas Shrugged, or walking through the woods near my home.

My heart is heavy at the news of his passing, but I take comfort in the thought that his friends and family will carry his memory proudly in their own hearts.
