“ Todd has been a friend of Ted and me for the past 10 years. He meant so much to us. I have seen him fight the good fight of faith with an abundance of love and grace. He glorified God in his thoughts and actions and was a very special man. We could go weeks to months without talking but catch right back up where we left off. We will miss him sorely. I will never forget his voice and the way he would say, "God bless"! Our condolences go out to his family and friends. God Bless!
