“ *When I received the news of Tom's passing I was both saddened and thankful. So sad to lose him but thankful that I had spoken with him on Thanksgiving. I did not realize that I was saying goodbye, but thankful to speak to him. Happily his last memories were of family. As my brother-in-law for almost 50 years, it is especially painful to loose him. There are many good memories that will always remain with me. The family can take comfort that he is in Heaven, joining this parents and siblings. Love to all of his family.*

*Tom was a part of our family. Everytime we saw him, he had a big smile and a warm hug. We were able to get really close to this sweet man through Florida trips and Holidays.
I know where this man is now and that makes us happy, but we will miss him and he will always bless our heart.
We love you Tom..... thank you for being part of our family!
