“ This man was my adopted dad! We met over 20 years ago at Commerce watershed and have fished together ever since! He has watched my boys grow up and has been a grandpa to them! I loved this man so much and we shared so many nights on the lake bank together! We love you old man and your memory will always live on in our hearts!

“ So many memories of Tommy when he would come to visit at our house. Daddy loved to "joke around and cut up" with Tommy. Tommy had that wonderful laugh that would just make his face light up. My grandmother, Lillie Grier, also enjoyed many times of laughter and fun when Tommy was around. I am so saddened by this loss but I know he's in Heaven laughing with the angels and wearing that tremendous smile of his.
