“ My Brother, life long business partner and golf partner, I'm missing you like crazy. I woke up yesterday thinking about our daily talks on sports, family, and world events. I praise GOD for the 57 years we shared in this life. I will for the rest of my life be here for Cherry, Ashley, and Brandon. I take comfort in knowing that Jesus is your LORD. You are with Him and the Father. REST WELL T-LOT. Much love and respect.

“ There are no words to express what I feel, what my family feels at this time. Just know that our HOPE is in JESUS CHRIST. Our love for Tony is strong. Cherry, Ashley, and Brandon---we love you! Tony was a brother to Keith and Mark, more than a cousin to me and them. We miss him already, treasure so many wonderful memories, and look forward to our reunion in Heaven. Love and Blessings to all who knew him.

“ Uncle Tony, a man, a legend, I thank you for always spreading wisdom. My favorite memory with you would have to be going to a range and teaching me and Brandon how to swing. You're the reason I started to like jazz music. You're like my 2nd father. You're truly going to be missed. Love you uncle tony.
