

Tori Wynne Bennett

April 20, 1991 - May 27, 2025

We share the loss of our beloved Viktoria Wynne Bennett, lovingly known as Tori, who passed away at the age of 34. Though her time with us was far too short, her impact was immeasurable, and her memory will forever live on in the hearts of all who knew her. Tori was a 2010 graduate of West Hall High School and completed her Certified Nursing Assistant program in 2018—a reflection of her deep, unwavering calling to care for others. But long before any title, Tori was a caregiver at heart. Her life was a testament to quiet strength, endless compassion, and selfless love. She devoted herself to caring for her family, especially her parents. She stood faithfully by her father, Travis Cole, until his passing, and gave every part of herself to care for her mother,

Vicki Bennett of Maysville, with a fierce and tender devotion. Tori's love knew no bounds. She is survived by her mother, Vicki Bennett; her grandfather Richard Bennett (Maysville); her sister Heather Bennett (Toccoa); her brother Haine and sister-in-law Melissa Bennett (Cumming); her brother Adrian and sister-in-law Heather Miller (Gainesville); her sister Crystal Bennett (Maysville); and her adopted brothers Shane Edwards and Randall Johnson. She was the proud and loving aunt to Taylor Miller, Hunter Miller, Colby Miller, Jazmyne Bennett, Mason Bennett, and Francisco Fuerte. She was preceded in death by her father, Travis Cole. To know Tori was to be blessed by her love. She had a smile that could brighten the darkest day, a laugh that warmed

the soul, and a heart so generous it seemed made of pure light. Her faith in Jesus was the guiding star of her life—unshakeable, radiant, and deeply rooted. Tori was the kind of person who gave without question, loved without limits, and forgave without hesitation. Her gentle soul found peace among animals—especially her cherished rescue horses and dogs. They, like everyone else who knew her, were drawn to her calm spirit, her soft voice, and her tender heart. Tori didn't just live; she loved deeply, she gave fully, and she believed fiercely. Her presence was a gift. Her absence is a heartbreak. But the love she gave remains—a light that will never dim. She leaves behind a family who adored her and a world that is softer, kinder, and better because she was in it.

“ I was fountante to be the Proud Mother of this incredible person. There are no words to describe Tori other than Perfection! She loved Jesus , me and her Daddy and her family. I have never heard Tori say a bad thing about anyone. She had a smile that would brighten up the darkest day, her laugh came from her soul, her eyes were like no other she was Beautiful inside and out. To know Tori was to love Tori. She loved her animals and more than that they loved her. Our family is so broken without our brightest star shinning. There will always be a void in our life without our Tori. What an honor it was to be her Mother here on earth for 34yrs . She will always be My greatest Blessing. □ I love you Boo and I promise we will be together again through eternity . MAMA□
