

Tracy Leigh Anderson

October 17, 1983 - March 30, 2023

Tracy Leigh Anderson was a beloved daughter, sister, mother and friend. She left the world suddenly on March 30, 2023 at age 39, in the privacy of her home.

As a child, Tracy's enthusiasm for life was unparalleled, which is a trait that she carried with her into adulthood. She breathed joy and laughter into everything she did and her energy was infectious. In the toughest seasons, you could always count on Tracy to show up. She might have been late, but she was always right on time and brought with her with exactly what we needed to not only survive, but thrive. There was never a dull day when Tracy was around. She was full of love and never hesitated to shower the people in her life with it. She will be deeply missed and her presence will live on in all the loved ones she leaves behind.

Tracy is survived by her parents, two siblings, and two beautiful children. She will be missed by many. Every single day.

A Celebration of Life will be held on Tuesday, April 11, 2023 from 4p.m. - 7p.m. at Flanigan's Funeral Home in Buford.

“ Tracy, I just heard the news. My heart is shattered. I will always hold close the friendship we had and the crazy memories we had together. Road trips from Atlanta to Vegas. Driving a U-haul down the strip, playing buffalos, midnight tennis, and late night conversations since we have been apart. I love you always babe. Rest easy.
